

SEEKING BOARD-CERTIFIED ADULT PSYCHIATRISTS AND CHILD AND ADOLESCENT PSYCHIATRISTS

HEALING AND CHANGING LIVES.

Pine Grove is Mississippi's most comprehensive treatment center for psychiatric and addictive diseases. Pine Grove's programs include an 88-bed inpatient psychiatric and chemical dependency hospital for children, adolescents and adults, as well as outpatient and residential programs specializing in addiction, professionals in crisis, sexual addiction, sexual trauma and eating disorders. Situated on 22-acres of beautifully landscaped grounds, Pine Grove offers a setting which is accessible from major cities such as New Orleans, Mobile, Jackson and Biloxi, Mississippi. Pine Grove has fully board-certified adult psychiatrists, child/adolescent psychiatrists, and addictionologists on the medical staff.
