## *Giving Back*

Forrest Health®

Since 1984, Pine Grove has remained committed to being a leader in healing and changing lives, providing the highest quality behavioral health and addiction treatment services available...because *Life is for Living.*

The Pine Grove Giving Back initiative raises funds to help Pine Grove's patients. At this time, Pine Grove Giving Back is working to beautify our campus by establishing a meditative labyrinth.

The Pine Grove Giving Back initiative is a part of Forrest Health®. All contributions and donations made towards Pine Grove Giving Back are stewarded through the Forrest General Healthcare Foundation. The Forrest General Healthcare Foundation is the philanthropic arm of Forrest General Hospital, established to help the hospital keep its commitment to define the health care experience by providing world class care.
